Inspire your middle school & high school students with our **Architecture Exploration Cruise from Navy Pier!**

Take your class exploring on a memorable Chicago River cruise to learn about Chicago's dramatic history and its role as the birthplace of modern American Architecture.

TRACE THE RISE OF CHICAGO FROM THE GREAT FIRE TO THE 21ST CENTURY!

The Great Fire of October 8th, 1871 destroyed 17,000 mostly wooden buildings. Within days the city began to rebuild – this time, in brick and stone and, eventually, in steel. Your class will learn how world-famous architects poured into Chicago to help rebuild this city and why Chicago is the recognized birthplace of the skyscraper and of modern American architecture.

Depart from Navy Pier for a one-hour cruise led by a professional, entertaining Shoreline docent. Your tour will cover more than 40 landmarks of modern American architecture plus the city's history, industry and famous personalities.

SAFETY FIRST!

Our vessels are United States Coast Guard certified and piloted by USCG Certified Master Captains. Although the vessels' lower decks are partially enclosed, all attendees should make appropriate plans for an outdoor activity. Bring a brown-bag lunch or visit the Navy Pier food court and enjoy a picnic at Navy Pier after your trip.
