**SHORELINE SIGHTSEEING WELCOMES TALL SHIPS CHICAGO 2010 WITH FAST
AND EASY WATER TAXI SERVICE TO AND FROM NAVY PIER®**

**VISITORS ALSO CAN ENJOY THE CITY ON SHORELINE'S ACCLAIMED ARCHITECTURE CRUISES
AND LAKE TOURS**

CHICAGO - Shoreline Sightseeing is proud to be an official sponsor of *Tall Ships Chicago 2010*. And we want to make it easy for visitors to enjoy this awe-inspiring festival at Chicago's most spectacular venue, Navy Pier.

Shoreline will be expanding its Water Taxi Service during Tall Ships Chicago 2010, providing easy access to Navy Pier from our Union Station dock (close to Ogilvie Transportation Center and the Willis/Sears Tower). We will also provide service from our docks at Wells & Wacker, the Michigan Avenue Bridge and the Museum Campus. Suburban commuters will be able to avoid sitting in traffic or worrying about road construction, while many city residents can pick up a Shoreline Water Taxi near their own neighborhoods. For anyone who chooses to drive, access to Navy Pier will be limited, but our water taxi docks are conveniently located near a number of parking garages.

Water Taxi rates range from \$5 to \$7 for adults and \$2 to \$4 for children.

Shoreline Sightseeing's fleet includes nine major touring vessels and 11 water taxis. Co-owners Chip and Matt Collopy are the third generation to head this family-owned company. Shoreline was established in 1939 and has operated at Navy Pier since it opened.
