## **SHORELINE SIGHTSEEING AUGUST 11<sup>TH</sup> CRUISE TO BENEFIT “WOUNDED WARRIORS”**

Recently-injured Chicago-area veterans and their families to be honored on a  
Shoreline Cruise

Shoreline Sightseeing is honored to host the **2010 Wounded Warrior Project Benefit Cruise**. Join us for an evening dinner, cocktail and fireworks cruise to welcome and support a group of recently injured military men and women. The cruise takes place from 7 to 10 p.m. Wednesday, August 11<sup>th</sup>.

This Shoreline Sightseeing Cruise includes food from Phil Stefani’s Signature Events, an open bar, live music and special guests. It takes place aboard the vessel Bright Star and boards at Ogden Slip (Navy Pier) and includes a lake view of the Pier’s spectacular fireworks display.

Tickets are available online at [www.shorelinesightseeing.com](http://www.shorelinesightseeing.com). In addition to purchasing individual tickets for \$100, supporters may take advantage of several sponsorship opportunities. A \$500 donation would help purchase adaptive sports equipment and includes two tickets to the cruise. A \$1,000 donation would sponsor a warrior and his or her family and includes four tickets to the cruise. If you are unable to attend, please consider making a donation to <http://adaptiveadventures.org/donate>.

The cruise kicks off five days of activities for the veterans and their families, including a sports camp hosted by **Adaptive Adventures** and the **Chicago Air and Water Show**.

The weekend is sponsored by the [Wounded Warrior Project](#), [Adaptive Adventures](#) and [Shoreline Sightseeing](#).

The **Wounded Warrior Project** provides programs and services to severely injured service members during the time between active duty and transition to civilian life.

**Adaptive Adventures** is beginning its tenth year of creating life-changing opportunities for people with physical disabilities through exciting adaptive sports programs.

**Shoreline Sightseeing** at historic Navy Pier is Chicago’s largest tour boat company, now in our third generation of family ownership and operation.
